Spectacular ocean views from this exquisite home in the desirable Westlake community of Santa Cruz. Three bedrooms, two and a half bath, 3,356 sq. ft. home. No expense spared when completely remodeled in 1998. Enchanting staircase connecting the main level and the downstairs. Fireplaces in the living rooms on both levels. Large, expansive decks and yes, your own putting green. Truly there are just too many features to list but it's really about the views!!!
